INTRODUCTION: Resident Freshman Parking Waiver Petition Form

Students who wish to petition for a waiver may do so by completing and submitting a Resident Freshman Waiver Petition Form and other supporting documents. Documents must be submitted to the Department of Public Safety and Transportation (DPS) or may be sent electronically to *ParkingServices@seattleu.edu*. Submitting a request for a waiver **does not** guarantee approval nor should acceptance of the request by DPS be construed as a commitment to approve the waiver.

Students who can demonstrate a **compelling** need or who would suffer **undue hardship** due to the restriction on residential freshman cars can petition for a waiver. Waivers are reviewed by the Executive Director of DPS or an appointee and will be kept to an absolute minimum.

Waiver Request Exceptions

- **Off-campus employment (minimum 20 hours)**
- **Medical – documented medical condition**
- **Extenuating Family Circumstances**
- **University Obligation or Commitment**

Waiver requests must be approved **prior** to bringing the vehicle to campus. If approved, the student will be able to purchase a permit for the academic year. To submit a request for a waiver, students must complete waiver petition form.

After the waiver request deadlines, the application process is closed.

Submit waiver requests to the Public Safety office located in USB 102 or to ParkingServices@seattleu.edu.

DOCUMENTS REQUIRED:

1. **Off-campus Employment** - Waivers will be granted in this category on a very limited basis. Waivers should include a signed, notarized letter on company letterhead from employer stating days and hours of employment. Letter shall include employer's telephone number. A current payroll stub may also be required. Students must show 20 hours/week of regular, scheduled employment.
2. **Medical reasons** - requires a letter from a licensed physician indicating a legitimate medical need. This letter should explain in detail the nature of the problem, the reason(s) for the student to have ready access to their own transportation and the time-frame being projected for this need.
3. **Extenuating Family Circumstances** - requires a legitimate written justification stating the reason for exception and all supporting documentation to positively establish your case.
4. **University Obligation or Commitment** – requires a letter from a University sponsor/coach/instructor stating the University obligation. Such obligations include athletic, band, internship, class participation off campus, etc.

Waiver Request Deadlines

Fall Quarter	September 24
Winter Quarter	January 10
Spring Quarter	April 4

It is important to note that no student under consideration for an exception should bring a vehicle to campus until approval to purchase a resident decal has been granted. Please allow one (1) weeks for the approval process.

Rationale: Resident Freshmen Parking Waivers

An initiative of the Seattle University's Transportation Management Plan (TMP) is to increase the use of alternative methods of transportation by university community members. It is also a goal that a growing commuter population of students, faculty and staff are provided efficient on-campus parking accommodations. This is a consistent challenge that is continually monitored and managed as on-campus parking at Seattle University is extremely limited.

Definition: A Resident Freshmen is a student living on campus who is in their first year of college. Non-traditional freshmen are 21 years or older. Non-traditional freshmen do not fall under this policy.
